

*The Voice & Unity  
of the Independent  
Plumbing & Heating  
Contractors of Utah*

**Utah Plumbing & Heating Contractors Association**

---

## **Program Advisory Committee**

Program Advisory Committees (PAC) is used in some form by all Utah Colleges of Applied Technology (UCAT) schools. These committees assist the **apprenticeship programs** stay in harmony with the needs of business and industry.

PAC members are made up of individuals from the businesses and industries most closely related to the individual **apprenticeship program**. The input from these PAC members is critical in keeping the programs on target with the current needs of business and industry.

Some of the suggested topics of focus for the **Plumbing Apprenticeship** curriculum are:

**Blue Print Reading**  
**Isometrics**

**Welding Basics**  
**& MORE!**

## **Get Involved!**

**To join a PAC Committee – contact the school nearest you... (See Below)**
